Details:

One of the top three New Year's Resolutions is to save more money. But did you know that **only 8%** of people actually follow through with their New Year's goals?*

Learn how to beat that statistic at the free seminar: How to Become Financially Fit in 2019.

Our partners at GreenPath Financial Wellness will show you how to overcome common financial hurdles and take control of your finances in time for the holidays as they explore:

- Strategies to help you stay focused about holiday spending
- Setting realistic financial goals
- Ways to help you reduce and consolidate your debt
- Creating a savings and budget plan
- What your credit score means and how to manage it
