Educator Rewards Program

We value the hard work our teachers do to educate the minds of tomorrow's leaders. Our Educator Rewards Program rewards elementary, secondary and high school teachers when they join and use credit union products. Rewards are based on a tier system with each tier offering a different dollar amount VISA gift card.

- Tier 1 – Receive a \$20 gift card when you open a savings account of any type and enroll in e-statements.
- Tier 2 – Receive a \$35 gift card when you open a checking account with direct deposit.
- Tier 3 – Receive a \$50 gift card when you get a new NAFCU Visa card and transfer a new balance or obtain a loan from us.

Teachers can visit any of our three branch locations to join the Educator Rewards Program.

Home Equity Line of Credit (HELOC) Now Available

What is a HELOC? A home equity line of credit is a revolving line of credit that allows you to borrow against your home's equity by using your home as collateral. It provides a source of funds that you can draw on as needed, much like a credit card, but your debt is secured by your home. With a HELOC, you can borrow only what you need, when you need it.

Call our Loan Department at (724) 266-7675 (select option 4) for information on how to apply.

Calling All Snowbirds

Calling all snowbirds! Do you spend your winters in warmer climes or summers in the mountains? If you split your time between multiple locations, be sure to let us know your secondary address each year so that we can send your credit union statement and other important information to the correct address.

Use Your Online Bill Pay Monthly

If you're enrolled in online bill pay, make sure to use this feature at least once per month in order to avoid a \$6 monthly service fee. For questions about the virtual branch and online bill pay, contact Nancy Sigmund at (724) 266-7675 ext. 327.

Your savings is federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government Agency.

We do business in accordance with the Federal Fair Housing Law and the Equal Credit Opportunity Act.
