From Diapers to Daycare to the Teen Years and Beyond!

At Reliant, our philosophy with our youngest members is "teach them young so they'll learn how to save!" We believe that it can only benefit them as they proceed through life, and so we've designed our Youth Savings Program to teach kids about the benefits of saving from an early age. You've come to the right place to get your child started on the path to financial success—read on to learn about the special perks we offer for each stage of your child's life!

Newborns to 2-year-olds

Open a Reliant youth savings account for your little one and you can receive a "Reliant Baby" onesie! You'll have the choice of pink or blue, and 3/6-, 6/12-, 12/18-, or 18/24-month sizes.

3- to 8-year-olds

At Reliant, you're a very special member—and because of that, on your birthday, we'll send you a card full of birthday wishes to let you know that we're thinking of you! Just bring the card into any Reliant branch, and we'll give you a different book each birthday from author and financial expert Dave Ramsey, teaching you about responsibility, handling money, sharing, and much more. Collect the entire series by the time you reach your eighth birthday!

9- to 17-year-olds

Each time you make a deposit of at least \$10 into your Reliant savings account, we'll stamp your personal savings card. When it's filled, turn it in at any Reliant branch and earn rewards. It's a fun, easy and rewarding way to build up your savings! We'll mail your gift card reward at the beginning of the following month. Be sure to ask for another savings card when you turn your completed card in so you can keep on saving! You can earn up to three rewards each year.

Check out the rewards that are available over the next few months:

- December 2018 | \$5 Target Gift Card
- January 2019 | \$5 McDonald's Gift Card
