**1 Account Closing:** If the Finn Checking and Savings account is closed by the customer or Chase within six months after opening, we will deduct the bonus amount for that account at closing.

**Bonus/Account Information: Offer valid until 3/31/19.** Offer not available to existing Chase checking customers, those with fiduciary accounts, or those whose accounts have been closed within 90 days or closed with a negative balance. To receive the \$100 Finn Checking Bonus: 1) Open a new Finn Checking and Finn Savings account (both accounts are opened at the same time), which is subject to approval; 2) Deposit \$25 or more into the checking account AND 3) Complete at least 10 qualifying transactions within 60 days of account opening. After you have completed all of the above requirements and the 10 qualifying transactions have posted to the new account, we'll deposit the bonus into your new account within 10 business days. Qualifying transactions include: debit card purchases, bill payments made through the Finn app, payments made or received through Send Money with Zelle®, check deposits made through the Finn app, or direct deposits into your Finn Checking account. Your direct deposit needs to be an electronic deposit of your paycheck, pension or government benefits (such as Social Security) from your employer or the government. You can receive only one new checking account opening related bonus every two years from the last enrollment date and only one bonus per account. Bonus is considered interest and will be reported on IRS Form 1099-INT (or Form 1042-S, if applicable).
