**Here's the full scoop on how to earn your bonus:**

1. Open a 360 Money Market account between 12:00 a.m. ET on March 11, 2019, and 11:59 p.m. ET on May 19, 2019. When you open your account, enter your promotional code—EARN500. If you have or had an open savings product (excludes CDs) with Capital One after January 1, 2016, you're ineligible for the bonus.
2. Deposit \$10,000 or more of new money from an external bank (transfers between Capital One accounts will not qualify) within the first 10 days of account opening (Initial Funding Period). The amount of your bonus will be determined as follows:
  - \$200 bonus — you maintained a daily balance of \$10,000 - \$49,999.99 for the first 90 days following the Initial Funding Period
  - \$500 bonus — you maintained a daily balance of \$50,000 or more for the first 90 days following the Initial Funding Period
3. If your daily balance drops to a lower tier at any point during the 90-day period, you'll earn the lower tier bonus. If you make additional deposits during the 90-day period to reach the next tier, you'll only be eligible for the lower tier bonus.
4. This offer cannot be combined with any other Capital One Bank or Capital One 360 new savings account opening offer. Bonus is only valid for one account.

**When will I actually get my bonus?**

Capital One will deposit the bonus into your account within 60 days following the 90-day period. If your account is in default, closed, or suspended, or otherwise not in good standing, you will not receive the bonus.
