

Switching your bank is easy.

At NBC, we're always working to make more possible for you. That's why we've put together an easy-to-use switch kit. This kit, created for utmost efficiency, makes leaving your previous bank and joining ours a whole lot easier. Plus, when you move your checking account to us we'll give you up to \$50 to start.*

**Join now and we'll give you up to \$50 to start. It's easy and profitable to move your checking account to the convenience of National Bank of Commerce. We'll help you with the paperwork to switch from your current bank, and pay 25¢ for each of your unused checks (up to \$25 immediately). And if you sign up for direct deposit we'll pay another \$25 after the third deposit.*
