Now through the end of MARCH we are giving you a chance to collect \$25.00 for EACH new member you refer! And to help you seal the deal, we are offering those new members \$25.00 as well if they sign up for a payroll deduction or payroll deposit!

Your referral MUST follow through with opening an account before you receive the \$25.00. We will be sure to ask each new member as they begin their account opening process if they were referred so be sure to have your friend mention you when they open an account!
