Save The Change

Save the Change Account

Saving up can seem difficult — but with the help of our **Save The Change** Account, cents can grow into dollars fast without having to even think about it!

Here's how it works. When you sign up for a **Save The Change** Account, every time you make a purchase with your debit card, it will automatically round up the purchase to the nearest dollar. The difference (your change) will be deposited into your **Save The Change** Account where you will earn a higher monthly dividend.

EXAMPLE: You buy some snacks for \$2.50. **Save The Change** will round the amount up to \$3.00 and put the extra .50 cents into your **Save The Change** Account automatically.

Int automatically.

Earn a higher dividend than your normal savings account (12 month Share Certificate Rate)

Things To Know
