General. Our goal is to be your new bank. We think that once you bank with us, you will refer to us as your bank, call our customer service and become a long term customer. We reserve the right to terminate this offer without notice at any time in the event of any suspected or actual abuse or fraud. Offer valid in Alabama, Arkansas, Florida, Georgia, Illinois, Indiana, Iowa, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, South Carolina, Tennessee and Texas. Present a personalized voucher with applicant’s name and registered email address in order to open in branch. This offer is non-transferable, may not be combined with any other offer, does not apply if you have or had an ownership interest in a Regions checking account on or after January 2, 2018, only applies to personal LifeGreen checking accounts, and may be withdrawn at any time without notice. To earn this bonus, you must meet all requirements of the offer described above within 60 days of opening your new account. If earned, the bonus will be issued within 120 days of meeting these requirements and will be in the form of a credit to the new checking account which must be open at the time the credit is issued. Only valid for U.S. residents with a U.S. address and a valid U.S. taxpayer identification number.

Deposit Account. All personal LifeGreen checking accounts require a \$25 minimum opening deposit. The Annual Percentage Yield (APY) paid on LifeGreen Preferred Checking accounts is determined by account balance and, as of 07/02/2017, was 0.01% for all balances. Regions may change the APY at any time. No interest is paid on other LifeGreen checking accounts. A monthly fee may apply to your LifeGreen checking account, but may be waived if certain conditions are met. Fees may reduce earnings. For accounts opened in Iowa, certain account fees are subject to Iowa State Tax of 6%, which will be assessed at the time the fee is charged, unless exempt. Taxes are the responsibility of the recipient. Regions associates are not eligible. \$25 fee assessed if account is closed within 180 days of opening.

Overdraft. For information on how to avoid overdrafts while using your new account or CheckCard, visit <http://regions.com/overdraftoptions>. For information about the use of your CheckCard and protection from fraud and unauthorized transactions, visit <http://regions.com/checkcard> (<https://www.regions.com/personal/banking/fi>). You may also talk to your banker or call 1-800-947-BANK (2265).

***Posting* and Qualifying Purchases.** CheckCard purchases do not always post to your account the same day you use your card or otherwise authorize a purchase. The timing of when a purchase posts depends largely upon the merchant. "Pending" transactions are not counted. You may use Online Banking and/or Mobile Banking to track when purchases post. Qualifying purchases include debit card purchases made at Point of Sale using your signature or PIN and purchases made electronically or online using your debit card number, but not ATM transactions or ACH transfers.

Online Banking (including Online Statements, Bill Pay, and Regions Mobile Deposit) requires you to have a Social Security or Taxpayer Identification number or use alternative enrollment procedures available by visiting a branch. Mobile Banking and Regions Mobile Deposit require a compatible device and enrollment in Online Banking. Your mobile carrier's messaging and data fees may apply.
