2019. Sovita Credit Union employees, officials and members of their immediate family members will not be paid referral fees and accounts opened for them will not qualify as referrals. A "referral" is defined as a natural person who has not been a member within the past 30 days. A "referral" does not include a business entity, an organization of any sort, a trust or a person acting in a fiduciary capacity for someone else.

*** The \$25 will not be paid if the referring member or an immediate family member of the referring members is in any way involved in providing real estate related services to the credit union or a credit union business partner and the loan involved is secured by real estate.

Who can be a Sovita member?
