NEWS & ANNOUNCEMENTS

April is All About Youth Month!

This April along with many credit unions across the country Baylands will celebrate National Credit Union Youth Month.

The theme this year is “The future is yours... Picture it! Save for it! Share it!”. We know our young members have limitless potential and helping them get a good financial start today will lead to a brighter financial future tomorrow. We want to stay true to the credit union philosophy and help our younger members on the path to financial education, understanding and security. Science has proven that if you start with small goals, saving your money can become a regular habit.

To encourage young savers to get in the habit of saving, we're offering a *special bonus only during the month of April 2019*:

Open a **new prime share savings** youth membership and enroll in E-Statements and we'll match your first deposit up to **\$25**!¹

Start your financial future today & save more with Baylands! With offices in Chesterfield, New Kent, Norge, and West Point, we're here to help, and look forward to your visit.

¹ Promotion valid from April 1 - April 30, 2019. Offer good for opening a new prime share savings youth account. Youth account (age 17 and under) must be opened and funded with a minimum of \$5, and enroll in E-Statements between April 1 and April 30, 2019 to qualify for the \$25 deposit match incentive. Limited to one incentive per child. Existing youth prime share account holders are not eligible. Memberships opened prior to the promotional period do not qualify for the incentive. This is a limited time offer. Baylands Family Credit Union reserves the right to withdraw this offer at any time without advance notice. If the new account is closed within 6 months of being opened, an early closure fee will be assessed and matching deposit will be forfeited back to the Credit Union.
