Hard work really does pay off!

We know you work hard everyday on your studies and your determination and persistence will pay off in the “real” world. BCFCU brings the real world payoff to you just a little earlier in life with our Report Card Reward Program.

Bring your report card to your closest BCFCU branch. For every report card filled with A's & B's (or grades 80% or higher), you will receive a point. Earn 3 out of 4 points (for quarterly based schools) or 2 out of 3 points (for trimester based schools) for the year and receive a \$25 gift card!

Disclaimer: One gift card given per teen club member. Must bring a printout or copy of your report card into the branch to receive credit. Gift card will be given at the end of the school year in May or June of 2019. The credit union holds the right to discontinue this program at anytime without notice. High School Seniors turning 18 during this program will still qualify for the \$25 gift card reward.

We have savings and checking products designed for you, our teen club member!

Whether you babysit, mow lawns or start your first real job, you need a savings and checking account to manage your hard earned money. We have you covered!
