Spring Cleaning

**Earn \$25 for each qualified service
when you switch to Capitol View!**

Iowa winters rarely disappoint, but this year's winter outdid itself. Between polar vortexes, feet of snow, ice, and potholes, our winter has given us a lot to be thankful for. Welcome Spring!

In addition to sweeping away the remnants of winter, Spring cleaning gives us an opportunity to step back and assess what, in our lives, could use a little TLC. If you currently are using a bank as your primary financial institution, clean up your finances and upgrade them to Capitol View this Spring.

For a limited time, Capitol View is offering an added incentive for you to upgrade from your bank to Capitol View.

For each new, eligible service added at Capitol View you will qualify for a \$25 bonus, up to \$200! Know someone who isn't currently a Capitol View member? New members are also eligible for this promotion!

Qualifying services include:

- Checking account
- Monthly direct deposit of a whole paycheck
- MasterCard
- Loans \$5,000 or greater
- Money Market account
- Certificate of Deposit

*To qualify for bonuses services must be new and may not be replacing, adding to, reopening, or refinancing existing services. Bonuses are a \$25 cash deposit for each qualifying new service up to \$200. Bonuses will be credited within 30 days of verifying the addition of the qualifying service.
