Personal Checking

Check us out for value.

When you open a checking account at a bank, you expect great service, dependability and value. What you don't expect (or need) are strings attached to your account in order to avoid fees.

At First Security Bank, Totally Free Checking really is FREE! Free of minimum balances and hidden weekly, monthly or annual fees. We also have three great interest-bearing accounts to fit your every need. Plus, when you open your new account, you'll get something else: a free gift to say 'thank you.' We'll also buy back your old checks or debit card from another financial institution and apply a \$25 credit to your new account.
