

Savings Accounts

From rainy day savings, to helping the future of tomorrow understand the importance of starting on the right path to financial success — *We're with you* and your family.

Whether your mom or dad, grandma or grandpa — or any caring adult looking out for a special child, we can help you help them get started on the right financial path with the following savings account options based on their age and stage in life.

All Youth Savings Accounts come with the following:

- Only a \$5 minimum balance to open an account

- WyHy will match initial deposit (up to \$50) and place in a SmartSaver Certificate account for 15 months (or in any other qualifying certificates). Click here for [certificate terms and conditions](#)
- Deposit match will be deposited at the time of account opening
- Dividends are figured on the member's average daily balance and compounded quarterly
