How do I earn my bonus?

1. Deposit \$20,000.00 or more from an external bank account into your 360 Money Market account between 12:00 a.m. ET on May 9, 2019, and 11:59 p.m. ET on May 22, 2019. Transfers between Capital One accounts will not qualify. A portion of your balances from your 360 Money Market account that have been withdrawn and redeposited back into that account will also not qualify. The amount of your bonus will be determined as follows:
 - \$150 bonus – the money you deposited from an external bank was between \$20,000.00 and \$49,999.99 (lower tier), and you maintained the daily balance of the new amount deposited in the account until 11:59 p.m. ET, August 20, 2019.

- \$450 bonus – the money you deposited from an external bank was \$50,000.00 or more (higher tier), and you maintained the daily balance of the new amount deposited in the account until 11:59 p.m. ET, August 20, 2019.
2. If your daily balance drops to the lower tier at any point between 12:00 a.m. ET on May 23, 2019, and 11:59 p.m. on August 20, 2019, you'll earn the lower tier bonus. If you make additional deposits after May 22, 2019, to reach the higher tier, you'll only be eligible for the lower tier bonus.
 3. This offer cannot be combined with any other Capital One Bank or Capital One 360 offers. The bonus is only valid for one account.

When will I get my bonus? Capital One will deposit the bonus into your 360 MMA account within 60 days following August 20, 2019. If your account is in default, closed, suspended, or otherwise not in good standing, you will not receive the bonus.
