Referred member must be a new member with no existing Cascade FCU accounts and no previous Cascade FCU accounts open in the past 12 months. Payouts will be deposited into the primary savings account of both the referring member and the referred member within one month of the new member joining. Payouts are considered miscellaneous income and may be reportable to you and the IRS on Form 1099-MISC (or Form 1042-S, if applicable). By clicking "Submit," you agree to allow us to send an email on your behalf giving the person you are referring the opportunity to open a qualifying account. Your friend/family member's email address will be used only for this offer. It will not be used for any other marketing solicitations or sold to third parties. Your friend or family member will not receive an email regarding your referral if they already have a Cascade account, were referred by another member or if the email address you provide is incorrect, no longer valid or on our email opt-out list. Due to its confidential nature, we cannot disclose any information about qualifying accounts opened by anyone you refer.

Accounts closed within 90 days after opening are subject to a \$30 early-closure fee.

Referred members: Although we will not disclose your name or account status to the member who referred you, they will receive a \$30 deposit for each member they refer who becomes a member. By receiving their referral deposit, they may be able to decipher which of their referrals opened an account.
