Growth only happens when the conditions are right.

We put those conditions in place with products to help your business every day and when the day arrives to expand. Business checking offers the convenience and competitive rates you need to put down roots and grow a stronger business. And our commercial loans can help your business when it's time to branch out.

After all, we're a local business, just like you. And that means something to us.

**A minimum deposit of \$500 is required to open a business checking account. After the 12 month introductory period, all business checking accounts will be assessed a monthly maintenance fee of \$5.00 if the Average Daily Balance is below \$2,500. The Average Daily Balance is calculated by adding the balance in the account for each day of the statement cycle and dividing that figure by the number of days in the statement cycle. No requirement to utilize all options included in the Business Banking Bundle.*
