<sup>1</sup> \$350 bonus offer is not available to existing Illinois Bank & Trust business checking account customers or those who had accounts opened on or before April 30, 2019. Offer available when opening a new business checking account at Illinois Bank & Trust during the promotional period. Promotion is limited to business checking account product types 212, 312 and 412. Ask your banker for details. Online account opening is available to select business entity types at illinoisbank.com. The promotional bonus period is 5/1/19 - 6/28/2019. If the account is closed by the customer or bank within 90 business days after opening, we may deduct bonuses earned and received at closing and a \$25 account closing fee may be assessed. Closing the account will negate any unearned bonuses. All bonus dollars will be paid to the newly opened business checking account. If multiple checking accounts are opened during the promotional bonus period under the same business checking relationship name, the bonuses will be paid to the account that was opened first. Limit one bonus per new business checking account relationship. Customer must open a new Business Checking account and have total balance of at least \$10,000 at 60 calendar days after account opening to receive \$350 bonus. Bonuses will be paid within 90 business days after the promotional bonus. Geographic restrictions may apply. Account opening is subject to approval. Not available in our Sterling and Rock Falls Banking Centers.

<sup>2</sup>The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.
