Referral Program

We wouldn't be successful without referrals; when our customers speak positively to others about their experience with us. Because of this, we're excited to introduce a ***new referral program***, going on now through July 31st! It's quite simple: if you encourage someone to open a new account with us—and they do—you'll both receive \$50!

To make their decision easy, be sure to share that we have some of the best technology out there; you can bank with us anywhere, anytime! We also have five convenient locations to serve you from: Lowry, the Starbuck ATM, and any Glenwood State Bank location; with branches in Glenwood, Villard, and Alexandria! Furthermore, we've invested in technology specifically designed to switch payroll, ACH payments, and government benefits for them... and it just takes a few minutes!

We hope you'll consider referring Lowry State Bank to someone you know; not just for the \$50 bonus, but because you believe in community banks, trust in our team, and want to share your

bank with others.

Referral program valid through 07/31/19. \$50 minimum deposit to open. \$50 will be deposited into the new customer's account, and the referrer will receive \$50 in their current Lowry State Bank account, after the new account has been active for 30 days and a direct deposit or automatic payment has been made.

Shared Services with Glenwood State Bank (our sister bank!)

Glenwood State Bank can now serve you! You will now be able to withdraw, deposit, and make loan payments on your Lowry State Bank accounts at Glenwood State Bank! We hope this new feature will provide you convenience and flexibility while you're in the Glenwood, Villard, or Alexandria areas!
