Checking offer is not available to existing Mercer Savings Bank checking customers. The offer is not available to those whose accounts have been closed within 90 days or closed with a negative balance. To receive the checking reward, 1) open a new Mercer Savings Bank checking account, which is subject to approval; 2) have your direct deposit made to this account within 90 days of account opening. Your direct deposit needs to be an electronic deposit of your paycheck, pension, or government benefits (such as Social Security) from your employer or the government (does not apply to business accounts); and 3) the account must remain in good standing.

At 90 days, your account will be reviewed, and if you have completed the above checking requirements, we will deposit your reward into your new account. You can receive only one new account opening related reward per customer. The value of the reward is considered interest and will be reported on IRS form 1099-INT.

Iolta and estate accounts are not eligible for the reward. New money only. Limited time offer.
