***Important Information:** One bonus offer is available only to you (the addressee), is nontransferable, may not be combined with any other offer, and does not apply if you have or had an ownership interest in a personal Regions checking account on or after September 1, 2020, up until the credit is issued. Address on the new account must match address on this letter to be eligible. When the credit is issued, new account and CheckCard must be open and have a positive balance. Enrolling in Online Banking requires a Social Security or Taxpayer ID number (alternative options may be available by visiting a branch). Regions may report bonus value to the IRS as required by law; anyone whose tax status would require Regions to impose tax withholding is not eligible. Regions associates are not eligible.

Posting and Qualifying Purchases: CheckCard purchases do not always post to your account immediately — the timing depends largely upon the merchant. Purchases include payments made using your CheckCard number, but not ATM or “pending” transactions.

Deposit Accounts: All LifeGreen checking accounts require a \$50 minimum opening deposit. As of September 1, 2021, the Annual Percentage Yield (APY) paid on LifeGreen Preferred Checking® accounts was 0.01% for all balances. Regions may change the APY at any time. No interest is paid on other LifeGreen checking accounts. Fees may reduce earnings. Accounts opened in Iowa may be subject to a 6% Iowa State Tax.
